Hm : Total differential head
Q : Pump capacity

Applications

- Acids And bases
- Coastic
- Solvents
- Strong Alkalies
- Agressive Chemicals
- Ultra Pure Water
- Pharmaruetic licquids
- Cleaning of Moulds

Main Body Materials

- PP
- PVC
- PVDF

Mechanical Seal Materyals

- Ceramic
- Silisium
- Carbon

Motor

- Insulation Class : F
- Protecting Class : IP 55 and IP 54
- Single-phase version : 220V, 50 Hz
- Three phase version :380V, 50Hz
